

# *I am grateful*

## **Equipment Required**

Post-it notes
Marker pens
Board or flat surface

## **THEME**

What are you grateful for? What areas has God blessed your life? Often, we forget to simply enter God's presence with the intention of saying 'Thank You'. We are often quick to request and ask, but slow to show our gratitude to God in a deep and meaningful way.

## **READ**

John 11.41

## **ACTIVITY**

Using the post-it notes and pens, take the time to write a sentence or draw a symbol of gratitude and thanksgiving to God. This can be for a specific area of your life, or something more general. Take the time simply say 'Thank You.'

Place the sticky note on the board once done.
