

Want to Spread your Wings Further
and Be Even More Relevant to the Needs of Children?

Time to try something new

Or perhaps you have a good thing going already
but need some finance to take it to higher levels?

If your answer is yes, then you need to read on.

The Let the Children Live - Funding Parish Initiatives are still available,
with 10 grants available every quarter. The maximum grant is \$500.

Who is it available to? For Methodist parishes, Rohe and Co-operating Ventures of which the Methodist Church is a partner. The project needs to support or enable the church's 10 year vision 'Let the Children Live' and be based within New Zealand. If you are successful, you will prepare a story of your initiative for publishing either in Touchstone or on the Methodist website. Be realistic in what you ask, yet be prepared to take some risks to engage in the vision together.

Send in your proposal, ideally no more than two sides of A4, including your Parish name, your name and contact details and the Minutes of the Parish Council/Leaders meeting approving the initiative to:
