About CONNECT

The young people of the Auckland and Manukau Methodist Synod are a talented, passionate group of young Christians - With a desire to grow in their faith journey as well strengthen their Methodist identity.

This Year we have committed to holding our first annual camp over Queens Birthday Weekend. The theme of our camp is *CONNECT: God, People and Purpose*, based out of John 15.5.

We intend for this camp to be a weekend of faith, fun and fellowship with a dynamic program and spirit-led time together. Our vision is for our young campers to leave being more connected to God, to people and to their purpose.

We also believe it is vital for our young people to engage and connect with fellow youth groups from across our synod, all in the name of unity and building a strengthened community of faith, as well striving to resource, edify and develop the next generation of young leaders in our synod.

The cost of \$100 per person will cover accommodation, food, plus resources offered throughout the weekend. We ask that you assist your young people in any way possible in joining us - as an investment in the sustainability of our church - locally, regionally and Connexionally.

For any other information or queries, please do not hesitate to contact us on any of the above contact details.

Grace and Peace!
